

CommNet International Named to MSPmentor 100

Exclusive Listing Honors The Technology Industry's Most Progressive Managed Service Providers

January 31, 2008: Commnet International has earned a ranking within the Top 25 on the MSPmentor 100, a distinguished list of the world's most progressive managed service providers.

“At CommNet, building client satisfaction and loyalty are our number one priority.” said Douglas Collier, President. “Placing within the top 25 MSPs in the world is our reward from that loyalty.”

“Qualifying for the MSPmentor 100 is an amazing accomplishment,” said Joe Panettieri, editorial director of MSPmentor, published by Nine Lives Media Inc. “We analyzed the business performance of more than 500 technology consulting firms and managed service providers worldwide. Only the ‘best-of-the-best’ landed on the MSPmentor 100.”

The MSPmentor 100 recognizes managed service providers, integrators, consulting firms and VARs that leverage managed services to vastly improve customer service. Through managed services, solutions providers deliver proactive, 24x7 customer care to small, midsize and even large enterprises. The net result for customers is a dramatically improved IT infrastructure that speeds the flow of business.

The complete MSPmentor 100 report, along with comprehensive coverage of the managed services market, can be found at www.mspmentor.net.

About CommNet International

Founded in 1986 by Douglas Collier, President, CommNet International is a leading solutions provider of information technology (IT) products and services. Our mission is to deliver superior, innovative solutions and, more importantly, the best service and support in the industry.
